RCD/Inlet Enclosure - AREIAL

2.5mm - Black

250mm x 180mm x 90mm Deep

Cutout Size: 205mm x 130mm

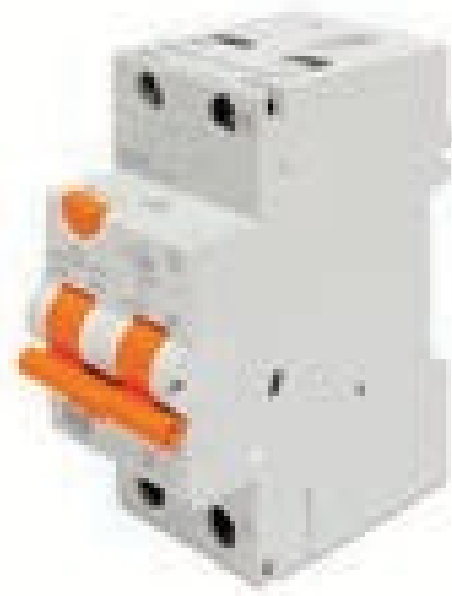

Stock Code: RCDAREIALBOXBLK

The new and innovative RCD/Inlet Enclosure is now available. Providing manufacturers with a 240v solution for RCD and Inlet positioning.

Combining the RCBO and Inlet within the same enclosure has now allowed manufacturers to simply install 240v with ease, whilst conforming to AS/NZS 3000.2007 Wiring Regulation.

Dual Supply RCD/Inlet Enclosure Available

SmartSense
Gas Bottle Level Monitor & App
Compact, lightweight, tough,
water and dust resistant
Suits most portable domestic gas bottles
Communicates with phones via Bluetooth
Easy DIY installation with strong magnets

SmartSense Premium
2 x Gas Bottle Level Monitor & App
Compact, lightweight, tough,
water and dust resistant
Suits most portable domestic gas bottles
Communicates with phones via Bluetooth
Easy DIY installation with strong magnets

SmartPressure
Tyre Pressure Monitoring System
Package includes: 2 x tyre pressure
sensors, 1 x toolkit
Maintains accurate recordings of tyre
pressure and internal temperature
DIY installation in minutes

SmartTemp
Bluetooth Temperature Sensor
Measures internal temperature in a range of
locations throughout the caravan
DIY installation in minutes
Monitor up to 4 sensors with a single app
Used in Fridge or Freezer

SmartConnect
RV sensor kit
Package includes: 1 x SmartSense, 1 x SmartTemp, 2 x SmartPressure, 1 x toolkit

Complete SmartConnect kit
DIY installation in minutes
Compatible with BMPRO Smart RV systems, Odyssey
REQUIRES OdysseyLink103

Automotive Cable

Application: General purpose cables for automotive applications.

Conductor: Plain Annealed Copper Wire

Insulation: PVC V75

Sheath: PVC V75

Voltage: 100V DC or 32V AC

Standard: AS2218

Pack Length: 30, 100m, 500m

CAUTION

Extra Low Voltage - Should NOT be connected to mains power supply

Single Core, Figure 8 & High Tension

For low voltage high amperage wiring

Typical Features:
